Flag: Follow up

The only communication I have had, outside of our group conversations, was when I spoke to Kevin Donaldson of Miccosukee about setting up the first consultation meeting. I believe that was 9/24/20. I also e-mailed him and left a voicemail on 11/20/20 to attempt to set up a follow-up discussion. I'd be happy to take a look at your draft record to see if anything jumps out at me.

Katie/Eve,

I've been asked to put together a record of all our communications with the various tribes on this undertaking. I was wondering if you might be able to give me an idea of communications you've had?

Thanks!
